

## **\$1,000 Haskel Todd Athletic Scholarship**

This scholarship is established by the Poway High Alumni Association in memory of Poway High graduate Haskel Todd for Poway High School students who are passionate about athletics.

About Haskel Todd - Haskel Todd attended Poway schools from elementary through high school. He graduated from Poway High School in 1977. He faced many difficulties in his childhood and used athletics as a way to escape. Whether it was baseball, basketball or football or anything else, Haskel was passionate about sports and he was a success on the field. At times, though, academics were a struggle for Haskel and his hopes to get an athletic scholarship for college were ended with multiple injuries suffered on the field.

Haskel Todd passed away on December 31, 2017. Prior to his death, Haskel made provisions to provide funding for a scholarship in his name at Poway High School. The purpose is to assist PHS students that are passionate about sports but who may need a financial boost to overcome hardships in order to pursue educational opportunities beyond high school.
